Freight Policy

There may be instances where special delivery arrangements are required and it is best to request additional services (such as liftgate, residential, limited access, etc.) when placing your order. Please advise the Customer Service Department of any additional delivery requirements that were not requested at time of order so we may authorize the charges.

Additionally, leaving a note and/or instructions for the driver is the same as signing for your products in good condition. We will not be held liable if you authorize the carrier to leave freight without a signature.

Please inspect for missing parts immediately, we cannot guarantee replacement of parts after 7 days of delivery.
